

How to Obtain Your Practitioner ID

A quick guide to locating your Passport ID in your MC Passport and using it for IKON Community registration.

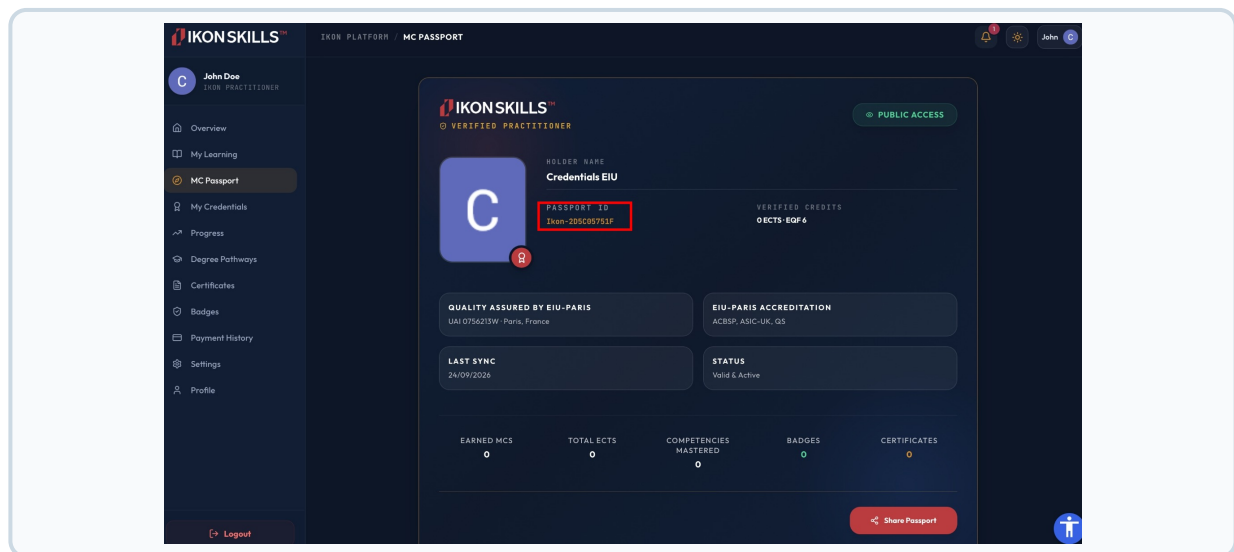

Step 1: Log In to Your Account

Log in to your account.

Once logged in, go to the **MC Passport** menu.

Step 2: Make Sure Your MC Passport Is Public

Please make sure your MC Passport is set to **Public**, as shown in the screenshot below.

IMPORTANT: If your MC Passport shows **Private Access**, click it and change the setting to **Public**.

Step 3: Find Your Passport ID

Your Passport ID is located below your name. This Passport ID is the Practitioner ID you will use when creating your IKON Community account.

Example

Holder Name:	John Doe
Passport ID:	Ikon-2D5C05751F

Copy your Passport ID exactly as shown and paste it into the required field when creating your IKON Community account.

Important Note

For future reference, we recommend saving your Passport ID in your personal notes or another secure place where you can easily access it.
